Dear Parent/Carer,

## **SQA Update**

Senior phase students have received updated copies of their SQA transcript and exam timetables at assemblies this week. Students should check these carefully and speak to their teacher or Miss Lee if they have any questions about the information that is recorded. Information about exam transport will be passed to the relevant students when this is available.

Two leaflets from SQA have also been issued to all Senior Phase students:

- Your Exams 2018, which provides information about preparing for exams, what will happen on exam day, results day, and the post-results services. Students should write their candidate number on the SCN card at the back of this booklet and bring it to each of their exams.
- MySQA, which provides information about how to register with SQA to receive your exam results by text message or email, in addition to receiving your exam certificate.

Study leave for all S4-S6 pupils will run from Monday, 30<sup>th</sup> April until Friday, 1<sup>st</sup> June 2018 (inclusive). Throughout this time, students must attend on the days when they have SQA exams. Students who are studying National 3 or 4 courses must attend the masterclasses which are offered by departments to prepare students for the next level of study. Students may also attend revision classes or come into school for support and advice from their teachers or to complete unfinished assessments. A timetable of SQA exams, revision and masterclasses classes is listed below. The master SQA timetable, showing the dates and times of all exams, is available at this link: <https://goo.gl/yBUKj5>

Please note that students must wear full school uniform when they are in school.

Please let me know if you have any questions about these arrangements. Thank you for your continued support.

Yours sincerely,

*Barbara A. Lee*
