

Clyde Marine Training are a Merchant Navy Training provider offering a variety of opportunities to students to train as either a Deck, Engine or Electro Technical officer. Below is attached some information about who we are and what we offer. If you have any Careers events you would like us to attend, please contact us using the details below. We can also provide a tailored presentation to suit your requirements e.g. highlighting STEM subjects required to enter this field. This would be a good opportunity to highlight a rewarding career to students who may not be aware of what the Merchant Navy is and what they could achieve in the Maritime Industry. <https://bit.ly/2GGfyXq>
