- P Go4SET competition**
Well done to our S2 STEM team (Eva Callan, Darryn Clifton, Isla Steele, Adam Martin, Nicole Enero and Calum Robertson), who competed against 11 other schools in South Lanarkshire in the Go4SET competition last week. They came out on top with their amazing report and presentation about how they could turn the food waste in the school into fertiliser to grow their own fruits and veg. The judges, Lord Provost and councillors were very impressed with their project and the group have been invited to compete in the national round of the competition. Thank you to Miss Forbes for supporting the team.

- P EMA – S5/6**
EMA application forms can be collected from the School Office or downloaded from the South Lanarkshire Council website. On the Council website, click on 'Education and Learning', then 'Secondary School Information', then 'Education Maintenance Allowance'. If you need any help with this, please see Mr Robertson or your Pupil Support Teacher.

It is your responsibility to complete and send the application form.

When you receive an award letter with your EMA number on it, bring this to Mr Robertson who will then issue a copy of the Learning Agreement to be signed by your teachers and Parent/Carer. You should then return the completed Learning Agreement to Mr Robertson and the school office will then process your EMA.

Only when you have completed all of the above will the payment process begin. Please see Mr Robertson if you have any questions about EMA.
