HPV Immunisation Programme

Dear Parent/Carer,

The HPV campaign will begin after the Easter Break for all Lanarkshire schools. We have been allocated **Monday, 10th May** for the School Immunisation Team to visit Lesmahagow High School and administer the vaccinations to all S1 pupils.

All S1 pupils will be issued a consent form when they attend school on the week beginning **Monday, 29th March 2021**. This should be returned to the **school office** on the first week we return after the Easter Break. If for whatever reason your child is unable to collect their consent form next week, please encourage them to collect it from the office the next time they attend.

In order to receive the vaccination, all pupils must return their signed consent form. If any student fails to do so, the Immunisation Team will invite them to complete a blank consent form on the immunisation day and contact a parent/carers to assist with the completion of the form.

Please contact the school if you have any questions or concerns.

Yours sincerely,

David Robertson
