### Vocational Courses:

In partnership with Youth Employability and local colleges, the school can offer a number of pupils the opportunity to study at college.

- ⇒ The one year **Gradu8 College course** is primarily aimed at young people who want to move on to apprenticeships, employment or college courses after school.
- ⇒ The one year **Gradu8 Work Experience** is primarily aimed at young people who want to move on to employment after school.

More information on college courses will be provided to students who are interested in applying to study these options.

If you are interested, please fill in the table below.
